The world's favourite face and body paint

This pretty Heart and Flower design is perfect for little girls at party time.

Using Lilac or Purple paint and a brush, draw a flower, made up of five balloon-shaped petals, on to the right cheek. With the Bright Pink paint, draw a heart on the left cheek.

Add White paint to the inner part of each petal of the flower, and add a stroke of white as a highlight to the heart shape.

Using Black paint add a stalk and a centre dot to the flower, and draw an arrow going through the heart.
