The world's favourite face and body paint

Every little girl loves to sparkle!
- and this butterfly is perfect
in the summer garden.

Using a damp sponge, dab on Sparkle Lilac paint in the shape of butterfly wings around the eyes and across the nose, fading towards the bottom.

With Metallic Silver paint and the sponge, dab on the rest of the butterfly wings shape across the cheeks and nose, blending carefully into the Lilac paint.

Using Black paint and the brush, draw on decorative swirls around the whole design. Add small petal shapes at the outer corner of each eye and top of the nose. For the finishing touch, add sparkle by using Silver Glitter Gel.
